Sponsored by:

Register at HCOSHOUSTON.ORG

“Ocular Symptoms of Fabry Disease for Healthcare Providers”

Synopsis: Dr. Morier will provide a high-level introduction to genetics and pathology of Fabry disease including inheritance of Fabry disease and organ involvement and symptoms of Fabry disease. He will review ocular signs and symptoms of Fabry disease and emphasize ways in which eye care professionals can decrease diagnostic delay in Fabry disease. **2 hours DT CE**

Presented by:

Albert M. Morier, MA, OD

Dr. Morier is a graduate of the SUNY College of Optometry. He received his bachelors and masters in biology from SUNY Geneseo. He is an Associate Clinical Professor of Ophthalmology at Albany Medical College. He has a private practice in Schenectady, NY as well as at the Glaucoma Consultants of the Capital Region in Slingerlands where he provides Primary Eye Care, Low Vision and specialty contact lenses.

HCOS would like to thank the Fabry Information and Support Group for their sponsorship of this meeting and for their support of our society.

All HCOS Members attending this program will receive 2 hours of DT CE credit, and dinner* all for FREE. Non-members will be charged \$35.00 to attend. All registrants must RSVP by Thursday, September 20, 2018 at 12 noon to confirm table seating and dinner. After the early registration deadline or at the door the member fee is \$15, and we cannot guarantee dinner will be available.

One of the privileges of membership in HCOS is access to our relief doctors list.

Please contact HCOS at 713-408-9060 if you need to find a fill-in doc, to be added to or removed from the relief list.

Thank you for allowing us to contact you by email. I hope to see you at the meeting.

**Keith Manuel, OD
President: Harris County Optometric Society, Inc.**
