“The Glaucoma Conundrum”

Synopsis: This course will be an overview of the various treatment modalities and foreseeable potential solution for the future of glaucoma surgery. We will discuss the safety and efficacy of the different modalities compared to the compliance rates and relative control of IOP. Additionally, we will have a brief discussion on the clinical experiences of the iTrace wavefront aberrometer with some accompanying case reports. **2 hours DT CE**

Presented by:

Jesse B. McKey, MD

After receiving his Doctor of Medicine from the University of Michigan, Dr. Jesse B. McKey completed his residency at the Willis Eye Center in Philadelphia. He is a Board-certified ophthalmologist and surgeon. He

provides custom Cataract, LASIK and other vision correction surgeries to Whitsett Vision Group patients, as well as comprehensive ophthalmology.

HCOS would like to thank the Alcon for their sponsorship of this meeting and for their support of our society.

All HCOS Members attending this program will receive 2 hours of DT CE credit, and dinner* all for FREE. Non-members will be charged \$35.00 to attend. All registrants must RSVP by Thursday, October 11th at 12 noon to confirm table seating and dinner. After the early registration deadline or at the door the member fee is \$15, and we cannot guarantee dinner will be available.

One of the privileges of membership in HCOS is access to our relief doctors list.

Please contact HCOS at 713-408-9060 if you need to find a fill-in doc, to be added to or removed from the relief list.

Thank you for allowing us to contact you by email. I hope to see you at the meeting.
