VISION PRODUCTS

“Scleral Lens Troubleshooting”

Dr. Thomas Arnold will discuss common complications encountered in the fitting of scleral lenses. Due to the unique nature of scleral lenses practitioners must recognize these conditions and know how to resolve them. Topics such as bubbles, decentration, impingement and edema will be covered. Illustrations captured with macro-photography, slit-lamp photography as well as OCT help to illuminate and instruct.
2 Hours D/T

**Presented by:
Thomas Arnold, OD**

Dr. Tom Arnold is a graduate of the University of Houston College of Optometry. He holds a Bachelor of Science degree in Business Administration from the University of Northern Colorado. During his training he participated in vision outreach programs in Mexico, Guatemala and with the Bureau of the Indian Health Service. His externship was completed at the Indian Health Service Hospital in Santa Fe, New Mexico. Dr. Arnold spent two years as a research assistant for the Early Treatment Diabetic Retinopathy Study (ETDRS) at the University of Texas Medical School in Houston. He opened his Today's Vision practice in Sugar Land in 1992. Currently, Dr. Arnold is the Vice-President of the Board of Today's Vision Licensing Corporation.

His primary professional interests are diseases of the eye, specialty contact lenses and the management of refractive laser eye surgery. Dr. Arnold is passionate about scleral contact lenses and their ability to help patients struggling with compromised vision related to the cornea. He is also a Fellow of the Scleral Lens Education Society. Dr. Arnold, along with Dr. Nathan Schramm, organized and moderated the inaugural International Congress of Scleral Contacts in Miami Beach, July 2016. The ICSC was the first meeting in the world dedicated solely to scleral contact lenses.

HCOS would like to thank Bausch & Lomb for their sponsorship of this dinner meeting and for their support of our society.

All HCOS Members attending this program will receive 2 hours of D/T CE credit, and dinner* all for FREE. Non-members will be charged \$35.00 to attend. All registrants must RSVP by Friday, March 1, 2019 at 12 noon to confirm table seating and dinner. After the early registration deadline or at the door the member fee is \$15, and we cannot guarantee dinner will be available.

One of the privileges of membership in HCOS is access to our relief doctors list.

Please contact HCOS at 713-408-9060 if you need to find a fill-in doc, to be added to or removed from the relief list.

Thank you for allowing us to contact you by email. I hope to see you at the meeting.

Brittney Probst, OD
