Stafford, TX 77477

7pm – 9pm

Sponsored by:

“Improving Outcomes”

In the myriad of new technology, deciding which things are worth the investment can sometimes be like drinking from a fire hose. Dr. McKey will discuss a useful framework for navigating these decisions, as well as providing specific examples of how certain new technologies such as the Galilei tomographer, iTrace wavefront aberrometer and the Optiwave Refractive Analysis (ORA) have benefitted patients.

Presented by:
Jesse B. McKey, MD

After receiving his Doctor of Medicine from the University of Michigan, Dr. McKey completed his residency at the Willis Eye Center in Philadelphia. He is a Board-certified ophthalmologist and surgeon. He provides custom Cataract, LASIK and other vision correction surgeries to Whitsett Vision Group patients, as well as comprehensive ophthalmology. **2 D/T CE hours**

HCOS would like to thank Bayou Ophthalmics for providing dinner for this meeting and for their support of our society.

All HCOS Members attending this program will receive 2 hours of D/T CE credit, and dinner* all for FREE. Non-members will be charged \$35.00 to attend. All registrants must RSVP by Tuesday, June 25, 2019 at 12 noon to confirm table seating and dinner. After the early registration deadline or at the door the member fee is \$15, and we cannot guarantee dinner will be available.

One of the privileges of membership in HCOS is access to our relief doctors list.

Please contact HCOS at 713-408-9060 if you need to find a fill-in doc, to be added to or removed from the relief list.

Thank you for allowing us to contact you by email. I hope to see you at the meeting.
