“Anterior Segment Challenges”

Synopsis: Dr. Gurpreet Singh will discuss several challenging anterior segment cases. He will discuss Corneal edema after cataract surgery. Also discussed will be conjunctival intraepithelial neoplasia (CIN). He will discuss how to manage conjunctivochalasis – tips for diagnosis, as well as medical and surgical management. Last, he will discuss treatment options for Fuchs.

2 hours D/T CE

Gurpreet Singh, M.D.

Dr. Singh graduated from Southwestern College of Medicine in Dallas. He completed a Fellowship in Cornea, External Disease, and Refractive Surgery at the Albany Medical College in Albany, New York. He currently practices with Eye Specialists of Texas with locations in North Cypress and The Woodlands where he specializes in Cataract Surgery, Pterygia Excision, Corneal Transplants, and Refractive Surgery.

HCOS would like to thank HOYA for providing dinner and for their support of our society.

All HCOS Members attending this program will receive 2 hours of D/T CE credit, and dinner* all for FREE. Non-members will be charged \$35.00 to attend. UHCO PR Course is \$95 for all. All registrants must RSVP by Wednesday, July 3, 2019 at 12 noon to confirm table seating and dinner. After the early registration deadline or at the door the member fee is \$15, and we cannot guarantee dinner will be available.

One of the privileges of membership in HCOS is access to our relief doctors list.

Please contact HCOS at 713-408-9060 if you need to find a fill-in doc, to be added to or removed from the relief list.

Thank you for allowing us to contact you by email. I hope to see you at the meeting.
